Admiral Stanfield Turner  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Admiral Turner:

It has come to my attention through various media sources that the Soviet military presence in Angola has dramatically increased in the last several months. This increase appears to be in the shape of naval and air bases in addition to the growing number of smaller weapons and Cuban troops.

I am requesting a briefing from the Central Intelligence Agency to substantiate these increases, and the development of Soviet bases in Angola. Your assistance in providing me with this information will be greatly appreciated.

With best wishes, I remain

Sincerely,

RICHARD T. SCHULZE  
Member of Congress
